- GPA: 3.9 / 4.0 • Dean's List

EXPERIENCE & LEADERSHIP

Student Advisor • Berklee Emerging Artistic Technology Lab (BEATL)

Sep 2026 – Present

- Advise students on music technology, AI tools, and venture building, working closely with Executive Director Mark Ethier

Royalty Administration Intern • PrimalHouse Music

May 2026 – Aug 2026

Production music publisher • Remote (Valley Village, CA)

- Prepared and submitted bulk work registrations to The MLC across the company's production library catalogs
- Verified writer and publisher splits, IPIs, ISWCs, and ISRCs, and automated BMI work identification
- Supported the full royalty lifecycle, from registration to collection, and a retitling project of roughly 42,000 titles

Artist Manager • Independent

Sep 2025 – Present

Roster: Berj Fazlian and the Berj Fazlian Quartet • Louis de Schouwer

- Represent Berj Fazlian and his quartet across booking, scheduling, industry outreach, and day to day artist needs
- Secured recording sessions and promo work for Berj Fazlian with Kamaal Williams and Yussef Dayes
- Manage Louis de Schouwer, coordinating bookings, release planning, and long term career strategy

Founder & President • SoundStart (Berklee Venture & Tech Lab)

Sep 2025 – Present

- Founded and lead Berklee's first student music venture and technology lab, a structured space for student-led startups
- Organize workshops and networking events connecting students with industry professionals and investors
- Lab project: Themis, an ontology-first data platform for the music industry, now in validation

Co-Founder • Doseedo

Sep 2025 – Jun 2026

Early-stage music-tech startup • doseedo.com

- Co-led company formation, financial modeling, and seed-stage investor fundraising strategy
- Drove product architecture, go-to-market planning, and execution with co-founder Arlo Erwin
- Led brand positioning, user acquisition, and outreach, growing the company to 1,000 active users

Legal Assistant (Internship) • Thomas de Carranza Abogados

Sep 2020 – Jun 2021

- Reviewed contracts, licensing agreements, and regulatory documents, flagging inconsistencies and missing terms
- Researched legal questions and summarized findings for attorneys across multiple practice areas
- Organized case files and client documentation, building a working foundation in contract and IP law

Musician / Composer / Guitarist • Independent & Berklee Studios

Aug 2020 – Sep 2025

- Wrote and recorded original music and gigged live as a guitarist
- Recorded guitars and co-composed the score for AMP's TONE campaign ad, a commercial sync placement
